SCHOOL BREAKOUT SESSIONS

Connect & Thrive:

What is Important To Your School?

Join us to learn about local resources available to school staff, students, and families. Get connected with representatives and providers about opportunities and best practices in your region.

A Healthy School Climate:

Advancing Student Success and Attendance

A collaborative discussion on attendance best practices and successful chronic absenteeism reduction strategies, including overview of new district level data and Live Well Schools report.

School Safety:

Envisioning Safer Schools

Session participants will be provided with culturally responsive interventions, tools, and resources to more effectively assess for and enhance school safety, increase response effectiveness and improve school, community, and parent communication.
