Dear Ms. Jiménez:

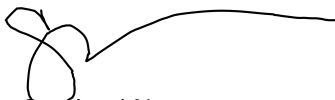

Dickinson Farm is proud to be considered for *Live Well San Diego* designation.

As the first and only commercial farm in National City since the early 1900s, we are proud to be identified as a partner with the County of San Diego in this endeavor and to be considered for this designation. If confirmed, this designation would emphasize our shared vision of providing access to healthy options for all members of our community.

We look forward to our collaboration to improve local economy and have a positive influence on the health of our customers and community.

Please let me know if there is any additional information you may have. You may reach me at 858.848.6914 or at stepheni@dickinson.farm
