

Rancho Bernardo High School Foundation/Broncos Baseball
13010 Paseo Lucido, San Diego, CA 92128

February 22, 2016

Chuck Matthews
Director HHSA North County Regions
County of San Diego

Dear Mr. Matthews:

The Rancho Bernardo High School Foundation/Broncos Baseball is proud to announce our partnership with Live Well San Diego to promote and support a Healthy, Safe and Thriving Community. We are empowering student athletes to take positive actions for their own health, safety and well-being to support these goals.

Our mission is to provide opportunities of growth and exposure, while competing at the highest levels in high school baseball: to instill discipline, teamwork, sportsmanship, honesty and integrity, in all our efforts to succeed and grow. Rancho Bernardo Broncos Baseball teaches our players to respect the game, always give your best, and play hard always.

For our Student Athletes we will continue to:

- Promote physical activity with onsite exercise and baseball activities;
- Promote a tobacco free environment
- Prohibit drug and alcohol use and;
- Promote healthy nutrition choices.

We support the vision of Live Well San Diego and will continue to strive to positively impact the well being of our students and athletes.

Thank you,
