

SUPPORT THE ENLISTED PROJECT

Building financial self-sufficiency with our young military and veteran families through financial counseling, emergency grants and other support programs

January 17, 2017

Live Well San Diego Partnership,

The **Support The Enlisted Project (STEP)** Executive Committee requests consideration of **STEP** as a **Live Well Partner**. **STEP's** mission is to assist junior active duty enlisted members and recently discharged enlisted Veterans, and their families, in Southern California facing financial crisis achieve long term financial self-sufficiency through counseling, education and grants to alleviate critical near term obligations align perfectly with Live Well's commitment to support healthy, safe and thriving communities.

STEP also aligns with the **Live Well Partner** philosophy by being *Influential, Going Above and Beyond, Measuring Progress, and Being Forward Thinking*. **STEP** has been honored to have the County of San Diego involved since the start of this innovative program. Never before has the community joined all sectors together to support transitioning veterans as they have with **STEP**, with over **26 public and private organizations participating in planning and oversight**. The Live Well initiative is the perfect "next step" in building and expanding these positive partnerships to ensure San Diego County is providing the best support in the nation for our transitioning military families.

Sincerely,

Tony Teravainen
