By a vote of the Board of Directors of Walden Environment, Inc., d.b.a. Walden Family Services, a California Nonprofit Corporation (“Walden Environment”), the following resolution was passed regarding Walden’s application to become a *Live Well* San Diego partner.

Whereas the vision of Walden is that every child has a loving home and the ability to recognize their greatest potential toward becoming a self-sufficient and productive member of their community and by achieving this, Walden can fulfil its mission of supporting the lives of children and families through lasting relationships;

Whereas Walden is committed to investing in the communities in which our youth live by providing them with families who nurture and guide them through the foster care system;

Whereas Walden’s efforts to provide programs and services which support our foster and adoptive youth and families are strengthened through community partnerships which allow Walden to collaborate with community leaders and thereby increase the positive impact we have on our youth and families;

Whereas Walden encourages employees to live a healthy lifestyle by staying active and engaging in community service, and employees pass along these lifestyle skills to youth and families through weekly meetings;

RESOLVED, that effective 09/17/2015, the Board of Directors of Walden Family Services approves the partnership with the County of San Diego’s Live Well initiative.
