

Homeless Solutions

Your Input Is Needed: Housing and Service Locations in Unincorporated Areas

Health and Human Services Agency (HHS), with technical support from County of San Diego Planning & Development Services (PDS), is hosting virtual “open house” sessions to receive input for how the County will decide where to locate shelter, homes and supportive services for persons experiencing homelessness in the unincorporated communities. These sessions will be to get your opinions and answer your questions as part of the County’s decision process. All sessions will cover the same information, so please pick a date and time convenient for you.

The 10-minute initial presentation will be offered at the start of each hour, followed by community input so you do not have to plan to attend for the full two hours.
