

# RESIDENT LEADERS IN ACTION

## Calling All Resident Leadership Academy Graduates

Co-hosted by The Urban Collaborative, Project New Village, and Lemon Grove HEAL Zone the **Resident Leaders in Action** is a 7-week program to inspire community driven action and to build upon your strengths and demonstrated capacity as community leaders.

Based on feedback received from your communities, the top priorities of concern are **housing, safety, and lack of engagement with the community.**

In partnership with the County of San Diego and local non-profit organizations, Live Well Communities aims to address inequities, disproportionality, and disparities in your communities.

Recent RLA graduates who are residents of Southeastern San Diego, Lemon Grove, National City and Spring Valley are invited to guide and discuss next steps of this exciting opportunity.

Topics of discussion include:

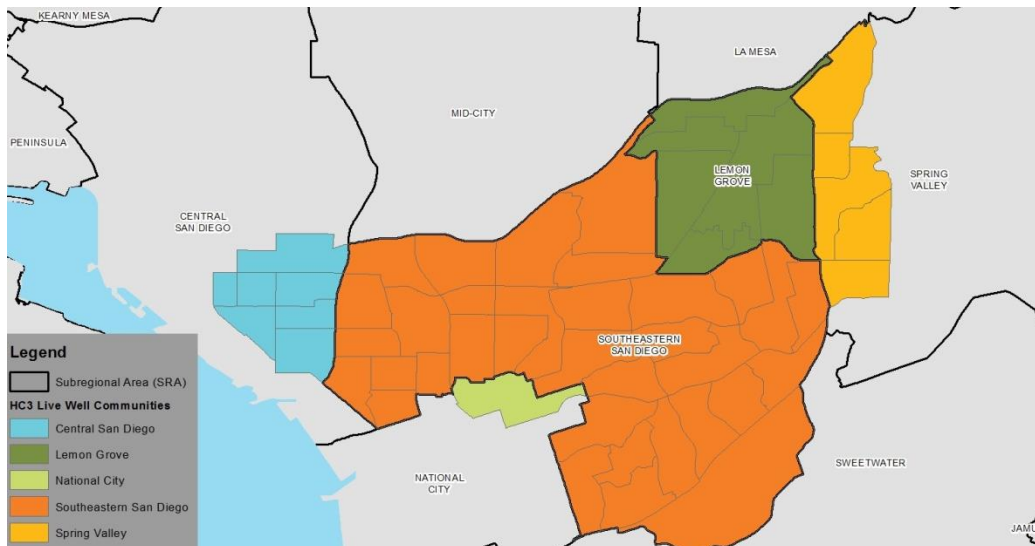

- Current initiatives in our communities
- Grant funding opportunities
- Building communities' capacity to advocate for change
