

K-12 Schools Telebriefing: Q&A Report

August 25, 2026

This report includes questions that were answered during the [K-12 Schools Telebriefing](#).

Answers are accurate as of 8/25/2026. If you have a specific question or need clarification, please email us at LiveWellEducation@sdcounty.ca.gov.

Topic	Question	Answer
CalAIM & Enhanced Care Management	Do school districts automatically refer McKinney-Vento families for Enhanced Care Management, or should we be referring them directly when we find out?	You can refer directly to CRF Healthy Connect using the ECM Referral Form .
CalAIM & Enhanced Care Management	Does CRF Healthy Connect work with any students or schools in LA?	No. At this time, they only provide services within San Diego County.
Verifying Immunization Records	Does the County provide help verifying suspicious records from Mexico?	Yes. The team is familiar with vaccination records from Mexico and sometimes gets records from other countries as well. You can send records via encrypted email to PHS-IZPHN.HHSA@SDCOUNTY.CA.GOV, and the team will support you. CDPH also has a helpful Binational Immunization Guide for reviewing records from Mexico.
Public Health Updates	Is our County at risk of losing personnel or programs that monitor transmissible diseases?	The County will continue to provide surveillance for reportable diseases.
